

§ 302.211 Procedures in certificate cases involving initial or continuing fitness.

(a) *Applicability.* This section applies to cases involving certificate authority under sections 41102 and 41103 of the Statute, including applications for new authority, renewals, amendments, modifications, suspensions, and transfers of such certificates, where the issues involve a determination of the applicant's fitness to operate. Where such applications propose the operation of scheduled service in limited entry international markets, the provisions of § 302.212 also apply.

(b) *Order establishing further procedures.* Within 90 days after a complete application is filed, the DOT decisionmaker will take action as provided in § 302.210.

§ 302.212 Procedures in certificate cases involving international routes.

(a) *Applicability.* This section applies to cases involving certificates under section 41102 of the Statute that involve international routes, including applications to obtain, renew, amend, transfer, or remove restrictions in such certificates.

(b) *Answers to applications.* Answers shall be filed within twenty one (21) days after the filing of the original application.

(c) *Conforming applications or motions to modify scope.* Any person may file an application for the same authority as sought in an application to obtain, renew, or amend a certificate filed under paragraph (a) of this section. Requests to modify the issues to be decided and to consolidate applications filed in other dockets shall be filed as a "motion to modify scope." Motions and applications under this section shall include economic data, other facts, and any argument in support of the person's position and must be filed within twenty one (21) days after the original application is filed. Later-filed competing applications shall conform to the base and forecast years used by the original applicant and need not contain traffic and financial data for markets for which data have already been submitted by another person.

(d) *Answers to conforming applications or motions to modify scope.* Answers to conforming applications and motions to modify scope filed in accordance with paragraph (b) of this section shall be filed within fourteen (14) days after the filing of the conforming application or motion. Answers may argue that an application should be dismissed. Answers may also seek to consolidate an application filed in another docket if that application conforms to the scope of the proceeding proposed in the motion to modify scope and includes the information prescribed in § 302.202. Answers and applications shall not, however, propose the consideration of additional markets.

(e) *Order establishing further procedures.* Within 90 days after a complete application is filed, the DOT decisionmaker will issue an order as provided in § 302.210.

(b) *Executive departments.* In addition to the standards set forth in § 302.207(b), the views of other executive agencies, such as the Department of State, and the Federal Aviation Administration's evaluation of the applicant's operational fitness, may be sought in determining the appropriate action on applications filed under this section.

(c) *Order establishing further procedures.* As soon as possible after the date that answers are due and all information needed to reach a decision is filed, the DOT decisionmaker will issue an order as provided in § 302.210.

(b) Fourteen (14) days after the filing of additional evidence called for in the order establishing further procedures if no oral evidentiary hearing is called for, unless the DOT decisionmaker determines that some other period should be allowed.

§ 302.216 Administrative law judge's initial or recommended decision.

(a) In a case that has been set for oral evidentiary hearing under § 302.210(a)(4), the administrative law judge shall adopt and serve an initial or recommended decision within one hundred thirty-six (136) days after the issuance of the order establishing further procedures unless:

In this case, the administrative law judge may, by notice, extend the due date for the issuance of an initial or recommended decision for a period not to exceed the period of delay caused by the applicant.

(b) In a case in which some of the issues have not been set for oral hearing under § 302.210(a)(4), the administrative law judge shall adopt and serve an initial or recommended decision within the time established by the DOT decisionmaker in the order establishing further procedures, except that that due date may be extended in accordance with paragraph (a)(2) of this section.
